

Monday	TLW: Sleep in.	Objective:
		Activities:
		<b>MLK Holiday .</b>
		Materials:
Tuesday	TLW: TEKS: 2C, 2D, 4A, 4B	Objective: Be able to discuss all vocabulary words and explain motion via graphs and formulas.
		Activities: Review for ch 2 Test. Give out graphs for practice w/key, and define all vocabulary for ch 2.
		Materials: Study guides, notes, book.
		Follow Up/HW: Study for test!!
Wednesday/Thursday	TLW: TEKS: 2C, 2D, 4A, 4B.	Objective: To demonstrate knowledge of motion. Be able to identify Newton's 3 laws.
		Activities: Prepare for test- turn in study guide- daily grade Take chapter 2 Test. When finished, play matching game with 3 laws. Receive chapter 3 study guide.
		Materials: Test, matching cards.
		Follow Up/HW: Fill in chapter 3 vocabulary.
Friday	TLW: TEKS: 2C, 2D, 4A, 4B	Objective: To be able to solve problems using Newton's second law for Force, mass, or acceleration.
		Activities: Use $F=ma$ to solve problems with Newton's 2 <sup>nd</sup> law. Worksheet practice- daily grade. *Begin momentum worksheet if time.*
		Materials: Worksheet, book, notes.
		Follow Up/HW: Finish worksheet if necessary.
